AND

The First Genealogy UN-Garage Sale

This is not your mother's garage sale! Bring your genealogy related items and office supplies that you no longer need and we will have tables set up for them at the meeting. Your contributions will be sold at very reasonable prices which will benefit MCGS. We'll have a freebie/swap table too!

Suggestions: genealogy software, books (family history, county history, how to do it, etc.), office supplies (notebooks, paper clips, folders, copy/photo paper etc.), printers, CD's, cases, briefcases, tote bags. Clean out your closets and drawers, use your imagination but PLEASE NO JUNK. Useable items only.
